The Key

THE 1958 edition of **THE KEY**, second such yearbook in the history of the Boys' Trade High and Girls' Vocational Schools, is affectionately dedicated to our mothers and fathers.

A yearbook is a great many things to a great many people.

- To the SENIORS.....it is the scroll of four special years in our lives.
- To the UNDERGRADS.....it is the desired goal of their rugged years ahead.
- To the PARENTS.....it is the pictorial record of achievements and activities of their children.
- To ALL.....it is a collection of memories never to be forgotten.
